

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 20, 1995

SUBJECT: **HB 323 - SB 481**

This bill, if enacted, will provide that after two convictions of DUI, a BAC level of .05% will create a presumption that a person is intoxicated.

The fiscal impact from enactment of this bill is estimated to be an increase in state and local government revenues due to additional fines received as the result of additional convictions. A reasonable estimate of such increased revenues cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
